Ben,  
Thank you for responding to my request for further information on official criteria for conflict of interest with respect to contracting. If hiring Mike Rogozinski does not meet these criteria as you've stated I believe it would be in the best interest of Region 7s public relations at this moment to publicize

these guidelines so the public can make an informed decision whether to file a complaint with the EPA's inspector general.

Best,  
Andrew Kuhn
